

EAST CENTRAL ALBERTA country routes

Get back to
your country “roots”!

Whether you are in East Central Alberta for a day trip or a multi day trip – whether it’s business or pleasure – take advantage of being in the heart of Alberta farm and ranch county and make time to “forage” for local produce and protein.

Throughout the region you will find Farmers’ Markets featuring fresh, local food and farm operators offering on site or “farm gate” sales of produce (berries, fruits, herbs & vegetables) and protein (beef, bison, pork, and more). Available specialty products range from “one of kind” wieners, home made sausage, berry infused honey and certified organic produce. And it doesn’t end there – you can take advantage of many local restaurants featuring local products for your dining pleasure.

When visiting East Central Alberta for overnight or on a multi-day vacation, the region offers a good selection of accommodation choices from full service hotels to cozy Bed & Breakfasts. Please refer to the Alberta Hotel and Lodging Association web site www.ahla.com or to the East Central community websites.
