

Programs and Activities At Miquelon

Wednesday

From Aug. 2 - Sept. 2, 2023

Herptile Heroes: Guided Walk. 2:00pm. Meet in front of the Park Visitor Centre.

You too can be a Herptile Hero! Come walk through the park with a guide as we explore the world of reptiles and amphibians. How do frogs survive the winter? Which Alberta reptile sticks its tongue out and plays dead when scared? Crawl, hop and slither down and join us to answer these questions and more!

Family Program 2:00pm. Meet on the back deck of the Park Visitor Centre.

From birds, to insects, to beavers and more! We have fun family activities to join. Please see the following dates for today's theme. Aug 3: Nature Investigators, Aug 10: Beaver Buddies, Aug 17: Feathered Fun, Aug 24: Peek in a Pond & Aug. 31: Bugology 101.

Bees of Alberta: Indoor Presentation. 3:00pm. Meet in the Aspen Room inside the Park Visitor Centre.

Native Bees in Alberta come in many different shapes, sizes, and colours. Each of them is super important in keeping the natural world healthy. In this indoor family presentation, we will share with you some of the amazing native bees that live here, how they help us and what we can do to help save them.

Thursday

Friday

Bats of Alberta: Indoor Presentation. 3:00pm. Meet in the Aspen Room inside the Park Visitor Centre.

What animal does somersaults in the air to catch food, can find their way in the dark by making high-pitched sounds and can eat their own body weight in insects every night? Bats, of course! Alberta has some amazing bat species for us to watch and learn about. In this indoor family presentation, we will investigate the bats that call Alberta home and ways we can give our furry friends a wing-up in life.

A Walk in the Darkness: Guided Walk. 8:00pm-10:00pm. Meet in front of the Park Visitor Centre.

Join us for a late-night stroll through Miquelon. Come learn about animals that stay up late and what makes the Beaver Hills Dark Sky Preserve so special. We'll look to the skies for bats and stars, listen in the trees for hooting owls and visit the Hesje Observatory to view the night sky on this two-hour guided walk in the darkness.

*Note: No Program on Sept 1

Family Program 2:00-3:00pm. Meet on the back deck of the Visitor Centre.

From birds, to insects, to beavers and more! We have fun family activities to join. Please see the following dates for today's theme. Aug 5: Peek in a Pond, Aug 12: Bugology 101, Aug 19: Nature Investigators, Aug 26: Beaver Buddies & Sept 2: Peek in a Pond.

DSI - Dark Sky Investigator: Amphitheatre Show. 7:30pm. Outdoor Amphitheatre in campground loop A.

The stars are missing! Come join Detective Brian as he tries to solve the case while meeting some amazing creatures of the night along the way! Be ready for music, fun and a sleuthing good time in this one-hour-long family amphitheatre show!

Saturday

Sunday, August 6th - Long Weekend Special!

Family Program - Feathered Fun. 2:00pm. Meet on the back deck of the Visitor Centre.

Plant Wars: Amphitheatre Show. 7:30pm. Outdoor Amphitheatre in campground loop A.
